Silver Spray Angling Holidays 2017

Cherbourg and Alderney trips are a real Angling holiday. It's a great way to enjoy the best boat angling that the UK has to offer. Our anglers really enjoy their evenings as well with a range of bars and restaurants for a pint, good food and of course plenty of fishy stories. Both Alderney and Cherbourg are about 60miles from Poole - Alderney is famous for its banks which hold superb flatfish while Cherbourg has many almost un-fished wrecks.

Silver Spray II entering Cherbourg

Mid-channel Channel chart

Silver Spray in Braye Harbour, Alderney

On the way over we usually focus on wreck fishing with live baiting for large pollack, lure fishing for cod and we have a spell at anchor for congers and ling.

17lb pollack

22lb cod

32lb ling

The middle day of a Cherbourg trip is spent fishing within 20 miles of the port. The short travelling time means that there is plenty of time to explore the multitude of war time wrecks that hold cod in May and June, bass from July to October, large bream in September and plenty of congers, ling and tope.

6lb 2oz black bream

11lb 12oz bass

40lb tope

In Cherbourg we stay in the Hotel du Louvre which is very clean and comfortable and the staff speak reasonable English. The hotel is only 5 mins walk from the marina and within 10 mins of the hotel there are plenty of restaurants and take-away food joints to suit every pocket.

The middle two days of Alderney trips focus on fishing around the island. The turbot and brill fishing are usually very good - on our best day we had over 80! Best months for "flats" are usually April, May, September and October but there were plenty right through in last year. On the final day we tend to head up the coast and fish off Cherbourg.

15lb 8oz turbot

5lb brill

We arrange accommodation on Alderney at a new hotel called the Adventurers Rest, as seen in the pictures below. As well as offering both double and single rooms with en suite bathrooms there is a bar and restaurant downstairs so you can relax after an enjoyable days fishing.

There are 3 videos on our website that SKY TV made on an Alderney adventure which will give you a good flavour of what to expect...

Evening

Most anglers enjoy a pint in one of the pubs in the quay area before going to the B&B. As the B&B is up the hill a taxi is recommended. Call John on 07781 100830.

On the first evening its worth booking John for the trip down the hill on day 4 as he tends to get booked by all the boats leaving around that time. Most anglers tend to walk down on day's 2/3 but get the taxi up in the evening (makes sense really)

There are a number of good places to eat on Alderney. Especially recommended is the Marais Hall Pub 01481 822683 for fish soup, garlic crab claws, huge steaks and all the usual pub food dishes. Best to book to get a space in the small restaurant area.

Lunches can be ordered from your landlady. They can also be obtained in the town but check opening times.
